Donations to Aid Broome County Flood Victims Being Collected by United Way

(Vestal, NY)— The people of Broome County and the surrounding areas have had to endure an unprecedented natural disaster due to the recent flooding. People’s lives have been disrupted in many ways and they will be coping with these disruptions for many months. In times like these, people want to help through volunteering, donating items and/or supplies, and giving money to help those impacted.

With this in mind, United Way of Broome County is now accepting donations to assist victims in Broome County from last week’s flood.

Checks may be sent to United Way of Broome County, P.O. Box 550, Binghamton, NY 13902-0550. Checks should be made payable to United Way of Broome County, with “Flood relief – Sept. 2011” on the memo line of the check. Donations also can be made online by clicking the “GIVE NOW” button on United Way’s website, www.unitedwaybroome.org.

Donations will be used to aid Broome County victims in the long-term rebuilding of their lives and will be available after any insurance, FEMA funds, and other special assistance grants they receive have been spent.
