Former Owners of Giant Markets Donate \$100,000 to Aid Flood Victims

(Vestal, NY)—The former owners of Giant Markets have donated \$100,000 to support the flood relief efforts in Broome County. A check for this amount was presented to Alan Hertel, Executive Director of United Way of Broome County, on Sept. 21.

Hertel said, “This gift will be a huge benefit to the people in our county who have lost their homes, apartments, furniture, family treasures, and have had their lives disrupted. On behalf of everyone in Broome County, I would like to express my sincerest appreciation for this exemplary act of generosity.”

This contribution will be added to the other flood relief funds administered by United Way and will be used to help with long-term recovery needs.

The donors say they are hopeful that this action will inspire others to contribute as well.”
